

NISCHAL BHATTARAI

PROFILE

A highly motivated fourth-year student pursuing a Bachelor's degree in Business Information Systems at Kathmandu University, with substantial experience in digital content creation, web development, and project management. With a proven track record of leading technical projects, organizing workshops and events, and developing platforms for startups and investors, I bring a strong blend of technical expertise and leadership skills. I am passionate about leveraging my skills in web development, digital marketing, SEO, and content creation to contribute to innovative projects in a dynamic professional environment.

WORK EXPERIENCE

KUSOM Information Systems Club, President (2023-2024)

- Organized Workshops and Events: Conducted workshops on web development, UI/UX design, and Photoshop.
- Event Management: Led the organization of IS Fair, managing interschool/college competitions.
- Team Leadership: Delegated tasks and ensured smooth execution of club activities.

KU School Of Law, Technical Intern (July - December 2023)

- Library Management System: Assisted with technical aspects, ensuring efficient data entry and record-keeping.
- Technical Support: Provided support for library operations, troubleshooting issues, and improving system functionalities.

KU Indoors, Kathmandu University, Secretary (Currently)

PROJECTS

- Startup's Funding and Investment System (Project StartHub) (Project Leader and Developer)
